Conference Speakers

* * * *

MYRON H. CLARK

Management Consultant, specializing on industrial morale. Formerly workman, foreman, assistant superintendent, superintendent, factory manager, and finally, general manager, footwear and miscellaneous factories of the United States Rubber Company, where he was responsible for 22,000 employees in sixteen factories. Typical clients:—United States Rubber Company and General Foods Corporation.

JOHN W. SHAWVER

University of Colorado graduate in Electrical Engineering. One year graduate student with Westinghouse Electrical Manufacturing Company at East Pittsburgh, Pennsylvania. Fourteen years service with the Oklahoma Gas and Electric Company; subdivided as follows: two years in the distribution engineering department; nine years superintendent of underground distribution; three years assistant superintendent, Oklahoma City District.

ADAM S. BENNION

Assitant to the President of the Utah Power and Light Company. Took his A. B. degree from the University of Utah; did graduate work at Chicago University, and Columbia University (at which institution he received his M. A.) and holds his Ph. D. from the University of California. Director of personnel for the Utah Power and Light Company from 1928 to 1934, at which time he was appointed to his present position as Assistant to the President. He is author of several books and a number of magazine articles; and during the last few years he has lectured extensively throughout the country on industrial relations and allied subjects.

DISCUSSION LEADERS

J. C. Young, Personnel Manager, Tidewater Associated Oil Company

Fred G. Fellows, Refinery Superintendent, Continental Oil Company

Warren L. Felton, Director of Employee Relations, Phillips Petroleum Company

E. C. Burris, Associate Professor of Economics, Oklahoma Agricultural and Mechanical College
